

The 28th International Society for Business Innovation and Technology Management Conference

November 14th -16th, 2019

Asia University, Taichung, Taiwan

Announcement and Call for Papers

Theme " Innovation and Circular Economy in Asia Pacific Region "

www.isbitm.org

<http://iice.asia.edu.tw>

We will invite the speakers from Asia Pacific Region

The conference aims to provide a forum for the exchange of ideas on the latest international business innovation developments in the field of management among researchers and practitioners in universities and industries, and to seek opportunities for collaboration among the participants. The conference is expected to foster networking, collaboration and joint effort among the conference participants to advance the theory and practice as well as to identify major trends in Innovation and Circular Economy. The ISBITM conferences have been very successful in attracting participations from all over the world. Currently, there are European BITM, African BITM and Asia Pacific BITM for our regional development.
